

Machine Operator

Recruitment

The Coroplast Group is a family business with many personalities, but with a common spirit: the motivation to be at the forefront creatively, technologically, and qualitatively - this is what we work passionately for every day with our customers. Sustainable thinking and action take a central role in this.

These tasks await you:

- Entering the appropriate production settings and parameters;
- Starting, stopping, and monitoring the operation of machines;
- Inspecting products for quality and compliance with standards;
- Maintaining records related to production, malfunctions, downtime, etc.

What you bring to the table:

- 3-shift work schedule;
- Attention to detail and a sense of responsibility for assigned tasks;
- Willingness to commit to a long-term position;
- Excellent organizational skills;
- Motivation to grow.

What we offer you:

- Support and onboarding program;
- Opportunities for growth and training;
- Benefits: private health insurance, subsidies for gym memberships, group insurance, commuting subsidies, employee referral program, additional social benefits.

Do you share our enthusiasm and pioneering spirit for unique and forward-looking products and services? Then we should get to know each other!
