

Warehouse Worker

Recruitment

The Coroplast Group is a family business with many personalities, but with a common spirit: the motivation to be at the forefront creatively, technologically, and qualitatively - this is what we work passionately for every day with our customers. Sustainable thinking and action take a central role in this.

These tasks await you:

- Receiving/shipping goods to/from the warehouse;
- Organizing and inspecting received and shipped goods;
- Maintaining inventory records and verifying goods issued;
- Picking orders according to purchase orders;
- Responsibility for maintaining order and storing goods in accordance with applicable regulations;
- Preparing CMR documents and waybills;
- Responsibility for adhering to procedures to minimize warehouse losses

What you bring to the table:

- Experience as a warehouse worker;
- UDT WJ1 certification;
- Ability to operate a barcode scanner;
- Crane operator certification;
- Ability to work as part of a team;
- Attention to detail, responsibility, and commitment

What we offer you:

- Support and onboarding program;
- Opportunities for growth and training;
- Benefits: private health insurance, subsidies for gym memberships, group insurance, commuting subsidies, employee referral program, additional social benefits.

Do you share our enthusiasm and pioneering spirit for unique and forward-looking products and services? Then we should get to know each other!
